## *67th Annual Convention*

August 13-16, 1958

Hotel Statler — Los Angeles, Calif.

## *Welcome to Los Angeles, the Temporary "Capital of North American Numismatics"*

As hundreds of collectors from Canada to Mexico, and from the Philippine Islands to Maine converge on "The City of the Angels" may you enter convention activities with a child's excitement for the fun prepared, a keen judgment in buying or selling, may a hungry intellectual curiosity draw you to the Educational Program, and in this warm-hearted assembly may you find in new friendships added sunshine for the years ahead.

OSCAR H. DODSON
*President, American Numismatic Association*

## *Saludos Amigos*

I am honored indeed to welcome you to the 67th Annual Convention of the American Numismatic Association being held here in the City of the Angels. Gold has played an important role in the development of the west, not only as a metal, but in hours of golden sunshine. It is our hope that you will all enjoy the many wonderful attractions Los Angeles and its surrounding communities have to offer.

I extend my sincere gratitude to all of the Committee Chairmen, Co-Chairmen, and Members who have put forth so much effort to make this event possible. Also, to any others who may not be named in this program but who have or will contribute to the success of the convention.

May your visit to Los Angeles be a pleasant one.

Sinceremente
EARL GLEN WHITEHEAD
*General Chairman*

## *Welcome*

On behalf of the world's largest coin club, and the many other Southern California clubs, who have helped plan and prepare the 67th Annual American Numismatic Association Convention, I extend to you a welcome hand of friendship. We pledge you every effort to make your stay in sunny Southern California a pleasant and memorable occasion. Plans have been made for you to see a few of the many points of interest. We hope you will take the time while here to see many of the other attractions. We are glad you came and we will exert every effort to make you happy while you are here.

RICHARD P. GOODSON
